

# Connected Blonde Welcomes You

## About

Connected Blonde is an exclusive club that strategically connects members to other like-minded individuals with an emphasis on the compatibility of the dynamics of the potential relationship, the objectives, and the desired outcomes of the partnership.

The club was created on the recognition that large number of great business ideas are lost to apparently unsurpassable roadblocks that can be overcome with either a nudge in the right direction or the right handshake when it counts.

Whether the hurdle is a lack of trust in the good faith of complete strangers to respect and nurture your business or concept with the same value and integrity as you, or the struggle to secure affordable finance, Connected Blonde has the connections, the experience and the expertise to steer you over and around any roadblock that stand between you and the realization of a innovative new business venture.
